3	3: Sometimes	
4	4: Often	
5	5: Always	

1. Briefly describe the work assigned to intern and what is completed so far and what is planned for the remaining months

COMMENTS:

AshokKumar Balasubramanian (Manager)

Core C++

Pointers & references

const correctness

RAII

Smart pointers (unique_ptr, shared_ptr, weak_ptr)

Constructors & destructors

OOP

Inheritance

Polymorphism

Virtual functions

Interfaces / abstract classes

Virtual destructors

STL

vector

map / unordered_map

set

array

STL algorithms (find, sort, etc.)

Multithreading

std::thread

mutex

lock_guard

unique_lock

condition_variable

Atomic operations

Makefiles

learning activities on the above topics

Behavioral - 1

Rating Scale

Score	Rating	Description
1	1: Never	
2	2: Rarely	
3	3: Sometimes	
4	4: Often	
5	5: Always	

1. Critical Thinking (Investigating Issues) - Demonstrates ability to ask questions and understand the critical issues, relevance and improvements

Reviewer	Rating
AshokKumar Balasubramanian (Manager)	3 - 3: Sometimes

2. Collaboration (Building Relationships) - Listens and Interact well with other team members and work towards to build solution

Reviewer	Rating
AshokKumar Balasubramanian (Manager)	3 - 3: Sometimes

3. Elaborate your Behavioral skills Rating with your comments.

COMMENTS:

AshokKumar Balasubramanian (Manager)

They are able do the activity planned with them without much dependency from mentors able to use ai tools for their rampup

Behavioral - 2

Rating Scale

Score	Rating	Description
1	1: Never	
2	2: Rarely	
3	3: Sometimes	
4	4: Often	
5	5: Always	

1. Drive & Action Bias: Demonstrates strong drive and a clear bias for action. Consistently shows curiosity, takes initiative without prompting, and responds quickly to challenges and opportunities. Maintains high energy, determination, and focus to deliver results, often going beyond expectations to ensure progress and outcomes.

Reviewer	Rating
AshokKumar Balasubramanian (Manager)	3 - 3: Sometimes

2. Elaborate your Behavioral skills Rating with your comments

COMMENTS:

AshokKumar Balasubramanian (Manager)

They are implementing sample code to understand the concepts better

Business - 1

Rating Scale

Score	Rating	Description
1	1: Never	
2	2: Rarely	
3	3: Sometimes	
4	4: Often	
5	5: Always	

1. Industry Knowledge (HMI/Cluster/Autosar/Audio/Integration Testing/Validation etc.): Demonstrates knowledge on the domain of work assigned and able to probe with more details

Reviewer	Rating
AshokKumar Balasubramanian (Manager)	3 - 3: Sometimes

2. Technical Communication/Presentation - Communicates with clarity and present his/her technical work with all the required details

Reviewer	Rating
AshokKumar Balasubramanian (Manager)	3 - 3: Sometimes

3. Elaborate your Business skills Rating with your comments.

COMMENTS:

AshokKumar Balasubramanian (Manager)

They have good communication skills and able to explain technical concepts

Technical - 1

Rating Scale

Score	Rating	Description
1	1: Never	
2	2: Rarely	
3	3: Sometimes	
4	4: Often	
5	5: Always	

1. SW/HW/ System Engineering Requirement Analysis: Understand and seek clarification to define the problem statement precisely

Reviewer	Rating
AshokKumar Balasubramanian (Manager)	3 - 3: Sometimes

2. SW/HW/ System Engineering Design: Understand and propose solutions considering the various constraints

Reviewer	Rating
AshokKumar Balasubramanian (Manager)	3 - 3: Sometimes

3. Application Development/SW or HW Development/Programming/Validation: Deliver error free work/code/solution implementation and meeting the problem statement/requirement

Reviewer	Rating
AshokKumar Balasubramanian (Manager)	3 - 3: Sometimes

4. Elaborate your Technical skills Rating with your comments.

COMMENTS:

AshokKumar Balasubramanian (Manager)

Able to complete the task within the allocated time

General - 2

Rating Scale

Score	Rating	Description
